4 The second area of damages we're going to talk
5 about is the loss of tithes and offerings that would
6 have -- the portion of those tithes and offerings that
7 would have gone up the chain through the church to the
8 national church had we been -- our clients been in
9 control of the services there. And, again, that was the
10 purpose of taking the depositions was to determine what
11 tithes had been given during that time, whether any had
12 been passed along, but also, that had we been able to
